

SERENE
& STELLAR

The image shows the exterior of a modern cafe named 'Serene & Stellar'. The building features a large glass facade on the left side, reflecting the surrounding greenery and a body of water. The right side of the building has a textured wall made of light-colored, rectangular stone tiles. The cafe's name is displayed in large, white, serif capital letters on the stone wall. In the foreground, there are several large, smooth, light-brown rocks and some green plants. A set of white concrete steps leads up to the glass entrance. The sky is blue with some clouds, and the water is visible in the background.
