

SERENE
& STELLAR

The image shows the exterior of a modern cafe named 'Serene & Stellar'. The building features a large glass facade on the left side, reflecting the surrounding landscape and sky. To the right of the glass is a wall made of stacked, light-colored stone tiles. The cafe's name is mounted on this stone wall in large, white, serif capital letters. Below the name, there is a small, light-colored rectangular box containing descriptive text. The foreground includes a paved area with a pattern of grey and tan stones, several large, smooth, light-brown boulders, and some green plants. In the background, a calm lake is visible under a clear sky.

SERENE & STELLAR

A Calm Space By The Lake
